

info

- ▶ Full ski gear rental for the season with a reduced price of **80€**
- ▶ For a child to be eligible to take part in the academy, there is a prerequisite of 6 lessons on the ski & snowboard simulator available at 'WE' and, as well, the consensus among the instructors' team about the readiness of the child for mountain skiing.

- ✓ 5 sessions on Greek winter sports' resorts.
- ✓ Transportation with adequate buses of the collaborating travel agency.
- ✓ Lift cards
- ✓ 6 persons' groups, of the same level
- ✓ Whole-day lessons

The main goal of the ski academy is the immediate adaptation and application of the learned skills to the mountainous terrain and the ultimate effectiveness of each session on the mountain!

Additional information:

- Part pre-payment during registration. Rest of the cost to be paid at latest before the 2nd session.
- In case of rental of ski equipment, full payment should be made on delivery.
- After the cycle of 5 sessions will be over, there will be a chance for an additional session, if there will be enough participation by other members.
- Optional replacement of one session (e.g., due to health issues) after the full cycle of 5 sessions is finalized.
- An accompanying person or more (depending on availability) could join in, in the available means of transport (bus), at an additional cost.
